2. The owner/responsible party shall respond to a complaint within 30 minutes.
3. **Parking** – Parking shall be provided in a garage or on a driveway. STR occupants should use only the off-street parking that is provided for the rental.

5. **Trash** – Trash shall not be left stored within public view, except in proper containers for purposes of collection. There shall be no accumulation or storage of trash and/or debris on the site or within the STR/Homestay.
6. **Traffic** – Vehicles used and traffic generated by the STR or homestay shall not exceed normal residential levels or unreasonably interfere with the quiet use and enjoyment of any other residences or businesses in the area. What is reasonable in terms of traffic generated shall be determined under existing legal standards applicable to evaluating alleged nuisances.
7. **Maximum Occupancy** - Maximum overnight occupancy of an STR or homestay shall be limited to two people per bedroom, plus two additional people. For example, a two-bedroom STR may have up to six occupants overnight. This calculation shall be inclusive of children.
